Sadly however between 27-29th June the Church at Long Riston had seen damage to one of its windows where 10 panes had been smashed by stones, no information on the culprit had been received. PCSO said following that and damage at Skirlaugh church he asked for people to be vigilant. If possible put up warning signs.

Cllr Ulliott asked PCSO Bainton about the use of CCTV and advice given.

Domestic fuel is also a popular target and advice given over protecting it given, also the use of wheelie bins in crime advised.

PCSO Bainton offered to sign people up to the community alert, which is a good source of information, clerk is signed up.

Thankful village event went very well and the breakfast appreciated by all who attended. Left-over food has been stored and will be used at future events.

Clerk asked if it would be possible to purchase a water urn for such occasions rather than the heavy kettles, all agreed that the cost be looked into and to share the cost with the village hall if one to be purchased

Plans for Village social – invites printed and to be delivered, Cllr Norton to arrange setting up the tables and bunting at 10.30 the morning of the social. Cllr Samuel gave her apologies that she was unable to attend due to prior commitment.

13. Any urgent business

Cllr Chapman reported that Lorries are still using Church Lane. Having received information that Dean Edwards of ERYC had stated that he was prepared to prepare a sign saying FD Bird and Son and attach to new storage depot sign, it was raised that the Parish Council pay for the sign prepared by ERYC, the clerk advised that public funds could not be used to purchase a sign advertising a business. Cllr Chapman asked that this be looked into as he had received different information. All present agreed that a sign as previously provided twice by Mr Bird was the answer, concern over its funding is the main issue. Other options discussed.

To be added to agenda for next meeting.
